

BENEFITS OF CREATIVE RETAINER

1. Guaranteed mutual amount of high prioritized service given to Client ; both CHEMIS3 and Client agree to devote up to number of hours and number of months spent on selected projects/deliverables/scope of works with cost effective and ready.
2. CHEMIS3 gives Client access to a wide range of design project management and graphic design/creative services that Client wish to brief.
3. For multiple minor graphic design/creative services projects, Client could avoid the need to
 - ask for estimates
 - manage the contracts (no agreement to sign for each graphic design project)
 - pay for the invoices
4. Rest assured that your budget constraint is well spent
5. Any department/business unit/subsidiary company under Client acquiring our services would get the same rate.
6. Client could more accurately forecast an annual marketing and promotion budget.

FEES & EXPENSES OUTSIDE CREATIVE RETAINER

7. Any expenses incurred in the execution of the projects such as travelling in and outside Indonesia, accommodation and plane ticket/train and other expenses would be separately billed to Client.
8. For this, CHEMIS3 will notify Client in advance before beginning work to identify any fee or cost that may be billed in addition to the agreement.**

we will elaborate expenses outside the creative retainer in details in the agreement

9. Any additional work beyond the agreed scope of work in the retainer would be added as a separate cost and reflected in the addendum retainer agreement.
